

RIDE. WALK. *SAVE LIVES.*

JOIN OUR TEAM

The funds that we raise will help discover better treatments and cancer cures by providing vital funding for research at Peter MacCallum Cancer Centre, a world-leading integrated cancer research, treatment and education centre.

There's the option to ride for 60km or 100km or walk 25km in the most meaningful challenge you will ever take on. Imagine crossing the finish line to a hero's welcome, knowing you gave your sweat, passion and dedication to conquer cancer!

Visit theoneday.org.au and search for our team name to register online. Or ask me for a registration form!
